Attention all Firefighters... classes available
Fall 2015 Semester
Call 250-5500 to enroll today!

Emergency Medical Responder (EMR)

This course, formerly known as First Responder, is an introductory course that will prepare you to become nationally or state certified. This course covers all aspects, responsibilities, and duties for providing emergency care. You will be able to provide direct patient care in a variety of medical emergency situations, identify and understand your legal, moral and ethical responsibilities, and will work and perform as a health care professional. Text required.

9/16-11/20 T/Th 6-10pm 72hr

Emergency Medical Responder Transition/Refresher

This course covers modules taught in the Emergency Medical Responder course. Keep your credential up to date by taking this refresher course. Topics include emergency care, medical/legal and ethical issues, lifting and moving, airway skills management, CPR AED refresher, patient assessment, and trauma emergencies, plus more.

9/14-9/28 M/W 6-10pm 20hr
