

Merry Christmas and Happy New Year! I truly hope all of you enjoyed the time spent with family over the holidays, I know I did.

District 1 road crews will be working on clearing debris in the district until at least Friday. Due to the ice and wind, there are many downed limbs and brush blocking road ways.

If there is anything debris on the roads in your area, please let us know at 580.492.4328.

Thank you and have a great week!
