Crawd's 'n Rods 2015

Despite the rain trying to put a damper on things, this year's Crawds 'n Rods still went off, rain or shine, as promised. Elgin's Volunteer Fire Department hosted its car show, car raffle, crawfish boil, burnout and live bands, with Great Plains Amusements setting up rides for the kids. With 3000lbs of crawfish, there was plenty of food for everyone, and for \$20 it was all you could eat. The fire department managed to sell all of their crawfish platters and sold the rest by the bag at the end of the day.
